ADS Chapter 103 – Delegations of Authority

*Asterisks that appear at the left margin of the page indicate that the text of that paragraph has been substantively revised.

103.1 OVERVIEW

This chapter delegates certain authorities and provides general provisions governing the delegation of authorities or assignment of duties and responsibilities in the Automated Directives System (ADS) and other agency rules, regulations, and procedures.

103.2 PRIMARY RESPONSIBILITIES

The Office of the General Counsel (GC) is responsible for maintaining this chapter.

103.3 POLICY AND PROCEDURES

The delegations of authority in this chapter deal primarily with delegations from the Administrator and Assistant Administrators (AA) on program planning and implementation and the obligation of funds. Other sources of delegations are ADS Chapter 101 which contains the general responsibilities of bureaus and offices; other sections of the ADS; delegations within field posts and USAID/W offices; position descriptions; and the FAR, AIDAR, and other agency regulations codified in the Code of Federal regulations (CFR).

103.3.1 General Provisions

The following general provisions apply to all delegations or assignment of duties or responsibilities in the ADS and other agency directives, regulations, and procedures, unless specifically provided otherwise:

- a.** Re-delegation. Subject to 103.3.1.1, authorities may be re-delegated and re-delegated successively. **(See [103.3.1.1](#))** Except for presidentially appointed Senate-confirmed (“PAS”) positions, the authority to re-delegate includes the authority to designate acting officers and to establish orders of succession of acting officials. **(For PAS positions see [103.3.1.2](#).)** Officials serving in an acting capacity are authorized to exercise all of the functions and duties of the position. The authority to re-delegate also includes the authority to give an “alter ego” delegation. An official exercising the authorities of a position under an “alter ego” delegation while authorized to exercise all of the functions and duties of the position is not the “acting” officeholder of the position. For example, a Deputy AA taking action under an “alter ego” delegation from the AA signs as Deputy AA, not as Acting AA.

- b.** References. Any reference to a statute, Executive Order, regulation, determination, delegation of authority, or any other issuance shall be deemed to be a reference to such an issuance as amended from time to time or its successor.
- c.** Concurrent Authority. The delegating official retains concurrent authority to exercise any of the delegated authorities, duties, or responsibilities.
- d.** Acting Capacity. Authorities may be exercised by persons serving for the designated officer in an acting capacity.
- e.** Exercise in accordance with Agency directives. Authorities shall be exercised in accordance with other Agency directives and regulations.
- f.** Re-delegations under revoked delegations. Re-delegations under revoked delegations are in effect according to their terms, until modified, revoked, or superseded.
- g.** Ratification. Actions taken by officials prior to the effective date of a delegation are ratified if in accordance with the terms and conditions of the delegation.
- h.** Reorganization. Delegations continue in effect to the successor position or office performing the functions of its predecessor until modified, revoked or superseded. For example, the new Bureau for Management would continue to operate under the delegations to its predecessor, the Bureau for Finance and Administration.

103.3.1.1 Delegation to U.S. Citizen Personal Services Contractors (USPSCs) and Non-U.S. Citizen Employees

a. Notwithstanding any other provision of USAID directives, regulations, or delegations, U.S. citizen personal services contractors (USPSCs) and non-U.S. citizen employees (host country and third country Personal Service Contractors (PSCs) and direct-hire employees) may be delegated or assigned any authority, duty or responsibility, delegable to U.S. citizen direct-hire employees (USDH employees) except that:

- 1.** They may not supervise USDH employees of USAID or other U.S. Government agencies. They may supervise USPSCs and non-U.S. citizen employees.
- 2.** They may not be designated a contracting officer or delegated authority to sign obligating or sub-obligating documents.

3. They may represent the Agency, except that communications that reflect a final policy, planning or budget decision of the agency must be cleared by a USDH employee.

4. They may participate in personnel selection matters but may not be delegated authority to make a final decision on personnel selection.

b. Exceptions. Exceptions to the limitations in paragraph a. must be approved by the Assistant Administrator for the Bureau for Management (AA/M). The AA/M has delegated to the Director, M/OP the authority to issue contracting warrants to USPSCs. The authority of Executive Officers to sign leases in ADS 103.3.20 is an exception, i.e., under ADS 103.3.20 a USPSC serving as an Executive Officer can sign leases. **(See 103.3.20)**

103.3.1.2 Acting Officials for Presidentially Appointed Senate-Confirmed (PAS) Positions

a. The USAID PAS positions are the Administrator, Deputy Administrator, Assistant Administrators (AAs) and the Inspector General (IG).

b. The Federal Vacancies Reform Act of 1998, 5 USC Sec. 3345-3349, prohibits the use of general delegations of authority to fill PAS vacancies on an acting basis. Section 621(a) of the FAA was just such a general delegation authority and was the agency's principal method for designating an "acting" for a PAS position. Since the authority of section 621(a) is no longer available for that purpose, the agency relies on the "first assistant" authority of the Vacancies Reform Act to fill PAS positions on an acting basis.

c. The "first assistant" of the Administrator is the Deputy Administrator. Except as the Administrator may provide otherwise, the "first assistant" for an AA is the senior deputy AA listed in mandatory reference – entitled "Senior Deputy Assistant Administrators". The Deputy Inspector General is the first assistant for the Inspector General. **(See Mandatory Reference, [Senior Deputy Assistant Administrators](#))**

d. The Vacancies Reform Act also permits the use of other explicit statutory provisions and section 624(b) of the FAA qualifies as such an authority. Section 624(b) authorizes the President to establish orders of succession among the other section 624 PAS officers, which are the Administrator, Deputy Administrator and Assistant Administrators. However, pursuant to the advice of the Office of Legal Counsel of the Department of Justice (OLC), orders of succession for these positions must be approved by the President. As of October 1, 1999, there are no orders of succession for any USAID PAS positions.

e. An official other than the "first assistant" can be authorized to exercise all of a PAS' authorities under an "alter ego" delegation. However, the official is not the "acting"

PAS, but acts in his or her own capacity. For example, a Deputy AA taking action under an “alter ego” delegation signs as Deputy AA, not “acting” AA.

f. The above applies only to a vacancy, e.g., death, resignation, or extended illness. The Vacancies Act does not apply to a temporary absence of a PAS from the office, e.g., vacation or TDY. For a temporary absence, an acting PAS can be designated under the general delegation section 621(a) of the FAA and is not restricted to first assistants or other PAS officers.

103.3.2 International Development Cooperation Agency (IDCA)

Under the provisions of the Foreign Affairs Reform and Restructuring Act of 1998, as contained in Public Law 105-277, IDCA was abolished and USAID was established as an Executive agency, effective April 1, 1999.

103.3.5 Counselor

The Counselor is delegated by the Administrator the authority to act as the Administrator's alter ego; to be responsible concurrently with the Administrator and the Deputy Administrator, for any aspect of the Agency's activities, subject to the Administrator's direction; and to represent and to exercise the authority of the Administrator with respect to all functions now or hereafter conferred upon or held by the Administrator.
